Brown Air LLC also repairs nearly all styles and brands of propellant hoses and extension hoses. In addition to repair, we can manufacture new extension hoses to our customers' specified length and end fitting needs. Hose adapters can also be manufactured per customer specifications.

We are not limited to servicing only the items and manufacturers listed above. We have serviced and repaired many items manufactured by Ace Surgical®, Aesculap®, AMSCO®, DePuy®, DeSoutter®, Komet®, Tuke®, Whittemore Enterprises® and Zimmer®. If there is a particular repair item in question, please do not hesitate to contact us. Chances are good that we can service and/or repair the item.
